

Sexual Exploitation Training for **Healthcare** Workers

May 3rd, 2023
12:30pm – 4:30 pm CST

12:30-3:30pm – Human Trafficking and Healthcare

This online presentation will give attendees an understanding of human trafficking and will discuss how healthcare workers are uniquely positioned to respond to persons who may be trafficked. Learn about red flags, targeted populations, case studies, and how to identify and respond to human trafficking within the healthcare setting.

Presenters: **Tara Wilkie** RN, BSN, SANE-A
Tara Leach MScN, PHC-NP, SANE-A, CPMHC(C)

3:30-4:30pm – The Best Kept Secret: Child-on-Child Sexual Assault is Exploding

Current trends indicate that in many cases of child-on-child sexual assault the child committing the act has been influenced by habitual pornography use. This online presentation will discuss the way pornography is grooming our kids and how we can mitigate the harm being done.

Presenter: **Heidi Olson**, MSN, RN, CPN, SANE-P

Cost: \$20
